

Bishop Ireton High School
Summer School 2010
Cultural Literacy

Cultural Literacy

This course is designed to build the cultural background required by upper-level courses for in-depth analysis, while also aiding students to see the connections between disciplines. The course will include a survey of classical mythology, world religions, geography, history, civics, geography, and the arts. While none of these topics will be covered exhaustively, an introduction to each will help students with their general knowledge and critical thinking skills.

Credit: .50 social studies elective credit

Prerequisite:

Any rising 10th, 11th or 12th grade student is eligible to register for the course.

Attendance

Good attendance contributes directly to academic success; therefore, students are expected to attend class every day. This is essential as it keeps the student up to speed on what is being taught and does not delay the instructor with a student that is behind in the material.

One absence for illness or family emergency is permitted. Students may not receive credit if more than two classes are missed.

In addition excessive tardiness to class and truancy may result dismissal from class.

Tuition

Tuition for this course is \$400.

- If a student decides he/she is unable to attend class before class begins the tuition *less \$50.00 will be refunded*
- Students who withdraw from school within two class days will have *one-half of the tuition refunded.*
- Students who withdraw from school after two class days are responsible for *full payment of tuition.*

When students are on campus they are permitted to bring a snack and drink with them. If students are enrolled in more than one summer course, students should wait only in the cafeteria, where snacks and drinks may be purchased from the vending machines.
